## STANDARD COLORS

CALIFORNIA CUSTOMERS PLEASE REFER TO LEAD & CADMIUM FREE COLOR CHART

### PLEASE NOTE:

We utilize the Pantone Matching System (PMS). This Chart is for general color reference only; please refer to a PMS Book for accurate color representations. Due to variations in individual monitors and printers we cannot guarantee that what you see on your screen will be an exact match to the final product. If you require an exact match or if your desired PMS color is not one of our standard colors, we offer PMS color matching for a one-time fee of \$50 per color.

"C" refers to coated swatch and "U" refers to uncoated swatch  
(coated swatches have a glossy finish and uncoated swatches are matte).
